**ORDER GRANTING EXTENSION OF TIME TO FILE OFFER OF PROOF**

Based on a petition filed on August 17, 2022, and pursuant to a Stipulated Election Agreement, an election was conducted between October 12, 2022 and October 17, 2022 to determine whether a unit of employees of Amazon.com Services LLC (“the Employer”) wish to be represented for purposes of collective bargaining by Amazon Labor Union (ALU) (“the Petitioner”). A tally of ballots was prepared and issued on October 18, 2022. Objections are due October 25, 2022, by 11:59 p.m. EST.

On October 21, 2022, the Petitioner requested an extension of time to file its Offer of Proof in support of objections. The Employer was notified but has not provided a response.

Having duly considered the Petitioner’s request, I find that good cause exists for granting an extension of time to file an offer of proof. Accordingly, the due date for the offer of proof in support of objections is hereby extended to Tuesday, November 1, 2022. There is no extension of time for the filing of objections.

Dated: October 24, 2022
